AUTOMATIC BANK DRAFT AUTHORIZATION FORM

City of Hohenwald Utilities is offering an easy and convenient way to pay your utility bill(s) through automatic bank draft.

I hereby authorize City of Hohenwald Utilities and the Financial Institution designated in this authorization form to withdraw from my checking account the payment to pay my utility bill. I understand that I must notify City of Hohenwald Utilities in writing to cancel this automatic payment.

The utility payment will be deducted on the 15th of each month, if the 15th is on a weekend, it will be drafted that following business day.

Your monthly bill is automatically withdrawn from your checking account. (We do not draft savings accounts or credit/debit cards) We will continue to provide you with the monthly statement showing your current charges. This service is free of charge and since payment is drafted automatically, late fees and postage costs will be avoided.

- Complete the authorization form
- Attach an original voided check or copy of a blank check
- Return the form & voided/copy check to City of Hohenwald Utilities
- Please confirm that Automatic Payment has started before you stop manually paying your utility bill.
