Please Read and Check before signing:

- I, the undersigned (Applicant) request natural gas service from the City of Hohenwald Gas Department (COHGD). I agree to pay all applicable connection charges and for all gas consumed on the premises and to comply with all the rules and regulations of the COHGD and all the applicable State and Federal laws. I understand that said connection fees are non-refundable.
- I agree that in the event I fail to pay a legitimate account, I will pay all expenses incurred in the collection of said delinquent account.
- I certify that at the present time I do not owe the COHGD for prior service and further certify that this application is my Bona Fide application and is not submitted in conjunction with or on behalf of another who has had gas service terminated by the COHGD for failure to pay for services. I understand that providing false information on this application may result in termination of service.
- I further agree that (1) COHGD shall retain title to all meters and other property furnished by it; and (2) that I shall be responsible for the safe keeping of all property of COHGD on the premises herein mentioned; and (3) that I shall grant free ingress and egress by COHGD employees and authorized agents to the meter, regulator and other property furnished by it; and (4) and will keep in repair all appliances and piping on said premises (other than COHGD property) first notifying the COHGD prior to having repairs made and/or additional appliances, equipment and/or piping installed and will report immediately to the COHGD any leaks discovered; and (5) the COHGD shall have the right to discontinue gas service without further notice in case of applicant's failure to comply with this agreement or any part thereof.
- I, the undersigned applicant, understand that at the connection to the connection to the City of Hohenwald Water Department water main, ALL OTHER SOURCES OF WATER such as wells or springs shall be disconnected to prevent any cross-connection of water lines and shall grant the City of Hohenwald and its employees' permission to inspect the water connections and any other source of water such as wells or springs at any time.
- The City of Hohenwald will allow only (1) residence per tap. Failure to comply with this regulation could result in the termination of service.

It shall be unlawful for any person to obtain or attempt to obtain by use of fraudulent scheme, device , means, or method electric , sanitary sewer, water or gas service with intent to avoid payment of the lawful price, charge or toll therefor, or for any person to cause another to avoid such payment for sauce service, or for any person to assist another in avoiding payment for electric, sanitary sewer, water or gas service, either through the making go multiple applications for service at one (1) address, or otherwise; Pursuant Tennessee Code Annotated, Section 65-35-102(3)

By signing this document, I agree to all the terms of this agreement and I sate that the information that I have given is true, I understand that it is unlawful to falsify this information.

City Easement Form

PREPARED BY CITY OF HOHENWALD, TENNESSEE

For and in consideration of the sum of \$0 cash in hand paid, the receipt of which is hereby acknowledged, I/We, _____ have this day granted unto the City of Hohenwald, a Municipal Corporation, its successors and assigns, the right to construct, build and/or maintain and replace utility lines over property located at (describe in detail):

of record in Deed Book _____ Page _____ ROLCT.
Utility lines include Water Lines _____ Sewer Lines _____ Gas Lines _____

The City of Hohenwald, Tennessee, is given an easement to enter upon said property and all rights of ingress and egress over and upon same necessary for digging of all ditches, contrition, maintaining, replacing and repairing said utility lines.

This easement shall be twenty (20) feet in width and shall be located so as not to interfere with the driveway or other improvements on the land.

The City of Hohenwald Gas Department does not maintain piping past the meter.

1. If the customer's piping is buried it may be subject to the potential hazards of corrosion and leakage.
2. Buried gas piping should be:
 - a. Periodically inspected for leaks
 - b. Periodically inspected for corrosion if the piping is metallic
 - c. Repaired if any unsafe condition is discovered
3. When excavating near buried gas piping, the piping should be located in advance and the excavating done by hand.
4. Plumbing contractors and heating contractors can assist in locating, inspecting and repairing the customer's buried piping.

To have, hold and enjoy the said rights and privileges hereby granted unto the City of Hohenwald, Tennessee, its successors and assigns forever, for the purpose above set out.

I covenant that I am lawfully seized and possessed of the property over which this right is granted, and that I have good lawful right to make this conveyance.

In witness whereof I hereunto subscribe my name this the _____ day of _____ 20_____.

WELL USER AGREEMENT

In accordance with Hohenwald Water Cross Connection Control Program, a private well of auxiliary water source shall not be connected in any manner to the public water supply unless proper protection against cross connection is provided. Only Reduced Pressure Backflow Preventers or approved air gaps may be used for protection. These devices must have prior approval by Hohenwald Cross Connection Control Coordinator. Customer not in compliance with this rule will have their water service discontinued.

Check appropriate box

This serves as notification that a well is located on the property at the following address:	
This serves as notification that a well is not located on the property at the following address:	

Address: _____

I(we) understand and agree that this system is, and shall remain totally segregated from the public water supply, and no unapproved or unauthorized cross connections, auxiliary intakes, bypasses, or interconnections will be permitted without the written approval of the City of Hohenwald Cross Connection Coordinator.

Before any auxiliary piping changes are made the City of Hohenwald shall be notified and an inspection of proposed changes shall be reviewed.

I(we) further understand and agree that the above address, maximum cross connection control equipment in the form of an approved air gap or reduced pressure backflow prevention device shall be installed to the public water supply.
